Training Announcement:

Teaching Manding to All Learners

What to expect from the presentation:

Based on the science of Applied Behavior Analysis with emphasize on the conceptual analysis of Verbal Behavior as defined by BF Skinner, the presentation will:

- Give a brief background in the behavioral classification of language, focusing on the mand.
- Training on how to contrive Manding when your child has limited interests or reinforcers!
- Training on environmental manipulation to acquire new and consistent manding.
- How and what to teach in the NET.

THIS IS A GOOD WORKSHOP FOR NEW HOME INSTRUCTORS, TEACHERS, and FOR PARENTS WHO UTILIZE A VERBAL BEHAVIOR/APPLIED BEHAVIOR ANALYSIS PROGRAM IN THEIR HOME or SCHOOL

Date: Thursday, March 22, 2012

Time: 4:00-7:00 p.m.
